

# TECHNICAL DATA SHEET: ART-402 Dining Table

## DIMENSIONS:

Width: 150 cm    Depth: 150 cm    Height: 76 cm    \*Dimensions are adjustable

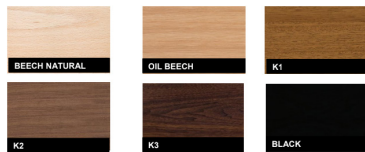

This selected object is the ART-402 Dining Table from Klirco Furnishings. This elegant, contemporary round dining table features a beautifully grained, veneered wood tabletop. It is supported by a distinctive, sculptural pedestal base shaped as a rounded trapezoid. Part of their custom-made indoor collection, this statement piece blends high-end craftsmanship with modern geometry, and it can be ordered in various tailored materials and custom finishes to fit specific interior spaces.

## MATERIALS:

Solid oak wood cylindrical base with adjustable top in HPL or Ceramic or Wood
