

TECHNICAL DATA SHEET: ELIA Dining Chair

DIMENSIONS:

Width:	Depth:	Height:	Seat Height:
54 cm	58 cm	80 cm	48 cm

The Elia Chair is a Mid-Century Modern statement piece defined by its striking, organic design. Its standout feature is the pair of sculpted, shaped armrests that flow seamlessly into a curved backrest, offering an artistic take on classic Scandinavian minimalism. Built with clean, tapered legs that create a lightweight and floating silhouette, the chair contrasts a dark, near-black wood frame with textured burgundy fabric. This rich color combination brings a luxurious, sophisticated aesthetic to any dining space.

MATERIALS:

Beech solid wood frame, polyurethane foam padding; adjustable leather or fabric upholstery.
