## DIMENSIONS:

Width:	Depth:	Height:	Seat Height:
53 cm	61 cm	83 cm	44.5 cm

The Kimora armchair brings timeless elegance and comfort to any outdoor space. Crafted from premium teak, it features a handwoven synthetic rope seat and backrest that blend natural warmth with modern durability. The rich teak frame complements the textured rope, creating a refined, relaxed aesthetic for patios, gardens, or balconies. Its ergonomic design ensures supportive comfort, perfect for casual gatherings or sophisticated outdoor living.

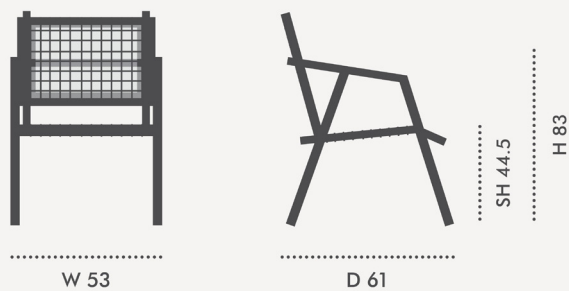

## MATERIALS:

Teak + euroash solid wood frame, with handmade straw seat.
