MERATUS Dining Table

DIMENSIONS:

Width:	Depth:	Height:	*Dimensions
250 cm	100 cm	76 cm	are adjustable

Minimal, architectural, and boldly composed, the Meratus Dining Table elevates any dining space with its warmth, commanding presence, and enduring functionality. Crafted from solid teak wood, the expansive tabletop showcases the material’s rich character while resting confidently atop two solid rectangular legs.

The result is a striking balance of strength and simplicity, an expression of timeless design grounded in honest materials and purposeful form.
