

# TECHNICAL DATA SHEET: SENDAI Dining Table

## DIMENSIONS:

Width:	Depth:	Height:	*Dimensions
120Ø cm	120Ø cm	76 cm	are adjustable

An epitome of contemporary sophistication, the Sendai Dining Table seamlessly fuses refined design with exceptional craftsmanship. Designed to stand as a striking centerpiece, its capsule-shaped tabletop is crafted from solid oak, where rich, textured grain ensures every surface is uniquely expressive.

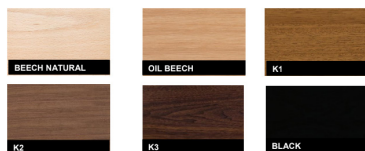

Anchoring the design are two solid cylindrical bases, meticulously wrapped in individually applied wooden slats. This sculptural detailing introduces depth, rhythm, and warmth, elevating the table with a sense of quiet luxury and architectural presence.

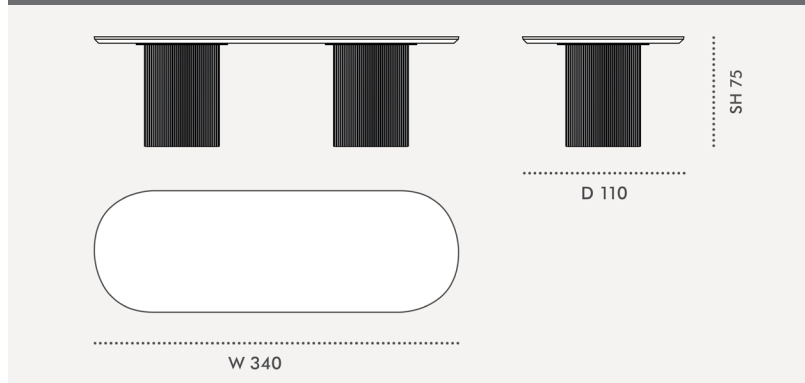

## MATERIALS:

Solid wood cylindrical base with adjustable top in HPL or Ceramic or Wood
